Please be aware that random drug testing by ASADA could take place during the competition. It is highly recommended each State/Territory team member (including management and staff) complete the ASADA online e-learning program (Level 1) to ensure all personnel are aware of contemporary issues pertaining to anti-doping.

The link to access this e-learning program is <http://elearning.asada.gov.au/>. Further to this, it is highly recommended that each team, under the direction of the management, undergo at least one anti-doping education and awareness activity as a group.

It is recommended each State/Territory team member (including management and staff) utilise the ASADA Check Your Substances reference site, or phone 13000 ASADA (1300 027 232).
