BACKGROUND

Surf Lifesavers and Lifeguards provide an essential service to communities throughout Australia, performing many exceptional rescues and providing first aid in emergency situations, which are over and above normal duties. These actions showcase excellence in lifesaving training, skills and procedures, which deserve special recognition. The 'Rescue of the Month' (ROTM) aims to recognise excellence in lifesaving and service delivery, measured against industry best practice and operating procedures. It is not to encourage unnecessary risk, or neglect safety considerations and Standard Operating Procedures.

The program is designed to:

1. Increase the recognition and promotion of lifesavers, surf clubs, lifesaving services (Support Operations) and ALS lifeguards after an incident; and
2. Increase the number of worthy Meritorious Awards.

NOMINATION PROCESS

Clubs, Lifesaving Services (Support Operations), and ALS lifeguards are to nominate using the official "Rescue of the Month Nomination Form". This can be accessed via the Surf Lifesaving NSW website or by using the link below:

The SLSNSW ROTM judging panel/method shall be determined by SLSNSW. The panel will review all submitted applications and determine the winner. The selection of a winner is final and there will be no correspondence entered into.
