Branch UAV Coordinator Guide and Position Description

Surf Life Saving NSW (SLSNSW) are pleased to announce the release of a Branch UAV Coordinator Guide and a new Position Description to assist. The comprehensive guide is designed to provide Branch UAV Coordinators with guidance on various aspects of their role, and includes how-to guides, maintenance procedures, proficiency requirements, and more. The Position Description document complements this guide by specifying the role and responsibilities in detail.

Guide to SLSC Use of UAVs

SLSNSW is also pleased to announce the release of a guide to assist Surf Life Saving Clubs better understand the processes and procedures associated with integrating UAVs safely, lawfully, and successfully into SLSC operations.

The Branch Guide, Club Guide and Position Description are located here: <https://www.surflifesaving.com.au/get-involved/work-for-us/become-a-uav-pilot/>

Please ensure that you familiarise yourself with these valuable resources to effectively carry out your duties. It is recommended that each Club and Branch that operates a UAV maintains a printed copy of these documents, accessible to all relevant personnel.
