Competition Information

Requirement for all events: ALL COMPETITORS must have their age group on their arm e.g. 30-39, U14. They will not be able to start unless this happens.

Clashing of Events

While every effort will be made by the Event Referees to avoid clashes in the timetable, athletes may have to decide to contest one event or the other.

Competitor Liaison Officers have been appointed in most areas to assist competitors. Clashing of events is not anticipated in the finals however, some clashes may be experienced during the heats. Any competitor who finds that their event clashes with another event should consult their Team Manager, who in turn should consult the Competitor Liaison Officer in the relevant area.

Competitor Liaison Officers will liaise with the various Sectional Referees to arrange deferment of heats, if possible, to enable competitors to obtain the maximum possible opportunity to compete.

These arrangements will only apply between areas and not between events in the one area. Events will not be held up for competitors competing outside their age group.

Officials and Event Safety Personnel

Officials Quota

Clubs are reminded that there is a quota system for clubs to provide accredited officials based upon the number of competitors entered. Further information is provided in the Entry Circular and Officials Nomination Circular which can be found on the [SLSNSW Event Webpage](#).

If clubs do not provide sufficient officials according to the provided quotas, SLSNSW will stand down all athletes from that club from competition until such time as the required officials are present.

Powercraft Roster

To ensure the safety of all competitors competing in the Championships, a Powercraft roster has been implemented. Further information is provided in the [Entry Circular](#) and [Powercraft Roster](#).

Clubs that fail to meet their requirements or to attend rostered shifts at the Championships will be suspended from competition until such a time that requirements are met.

Event Safety

Water Safety

Clubs on the Water Safety Roster are required to provide a minimum of 2 water safety personnel per shift to monitor the Ages (U8 to U14). Water safety personnel will need to supply their own lunch/food, orange high vis rash vest, cap, fins and rescue tube. All water safety personnel must have a minimum current proficient Surf Rescue Certificate (CPR endorsed) and be a current financial SLS member (2023/24).

What to do:

1. Water safety personnel are to sign on 20 minutes prior to the start of each shift at the Surf Club.
2. You will be provided with a briefing.
3. Proceed to your assigned area and inform the Sectional Referees of your presence.

Any issues from competitors, team managers or officials regarding water safety must be raised with the Water Safety Coordinator.

Powercraft Roster (IRB)

The 2024 Oakberry Acai Country Championships Powercraft roster can be accessed by clicking on the below link.

[2024 Oakberry Acai NSW Country Championships Powercraft Roster](#)

What to do:

1. Powercraft personnel are to sign on one (1) hour prior to the start of each shift at the Surf Club.

Contingency Location

Should the competition be moved due to unforeseen circumstances, the contingency locations are the Southern or Northern ends of Warilla Beach. The Championships Competition Committee will communicate any change or update via Club Team Managers.

Aim and Principles of Relocation:

The aim of relocating part or all of an event is to attempt to ensure that the competition is safely conducted within the set timeframe.

Assessment of Conditions and Investigation of Alternative Venues:

The Competition Safety Committee is responsible for assessing the situation and making recommendations to the Championships Competition Committee as to whether part or the entire event is relocated.

Relocation Timings:

The decision to relocate part or all an event will be made as early as possible.

If the event is to be relocated, a decision must be made as to the following:

- The events to be moved.
- The timings to commence the relocated events.
- The alternative location to be use.

Medal Collection

Medal Presentations will be conducted on beach immediately after each final. There will be a podium set up in front within the Vendor Area should competitors wish to get photos on the podium.

All medals must be collected at the Championships, they will not be posted or available for collection after the Championships.

Photography & Media

As a condition of entry, all competitors agree to have photos and video taken during the Championships used for promotional material by SLSNSW.

SLSNSW will not be issuing media/photography accreditation to team members or Clubs.

Professional photographers will be in attendance and material will be available via social media and to Clubs on request. Clubs are welcome to take photographs from outside the competition area.

Go Pro's may only be used within the competition area on approved fittings and fixtures as set out in relevant SLSA bulletins.

Media:

No competitor, team manager, official or spokesperson for a club shall make media statements which could bring the State Championships, its sponsors, or officials into controversy or disrepute. Such statements will be a breach of policy and could potentially result in sanctions against members involved. Please note that statements to the media regarding the State Championships will be made by authorised spokespeople.

Drones:

For the safety of competitors, officials, and spectators SLSNSW prohibits the use of drones or Unmanned Aerial Vehicles (UAV) at these Championships by members and/or public. SLSNSW and its telecast production contractors will be operating UAVs for both surveillance and capturing of event footage.

Security

There will be security on site for Thursday, Friday and Saturday evenings. Although security is present, any valuables should not be left in Club tents and should be taken with you at the end of the day.

Any person/s found stealing signage or any equipment owned by SLSNSW, or its sponsors will immediately be brought before a Carnival Disciplinary Committee or a SLSNSW Judiciary for further action.

Please note that automatic disqualification of the team/club from the championship may occur if any member is found guilty of theft.

Surf Life Saving NSW and/or Warilla Barrack Point SLSC takes no responsibility for gear and equipment if left on the beach and it is at your own risk.

Anti-Doping & Match Fixing

It is strongly recommended that all Team Managers complete both the [Sport Integrity Australia](#) Level 1 Anti-Doping and Match Fixing e-learning courses. Both courses are free of charge and provide an opportunity to develop a knowledge and understanding of anti-doping and match fixing in sport. Moving forward, SLSNSW strongly believe this is a great addition to the structure of any touring team and/or squad and is vital for elite competition and athlete development.

SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Area > Library > Governance > SLSA > Policy 5.1.1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Surf Sports surfsports@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations. If anyone has previously completed either course, proof must be sent through to Surf Sports in order to be recognised.

For further information regarding the courses please contact Surf Sports, on (02) 9471 8000 or surfsports@surflifesaving.com.au

Protests

All protests shall be lodged with the appropriate Liaison Officer in each Area in accordance with the procedures set down in the current edition of the SLSA Surf Sports Manual and any subsequent bulletins and shall identify the specific sections/clauses in the Competition Manual and or event rules upon which the protest is based.

Protest Forms are available from the Liaison Officer. An "Appeals Fee" of \$110.00 must accompany all documentation when the process is officially submitted to the Appeals Committee for adjudication.

For further information regarding the courses please contact Surf Sports, on (02) 9471 8000 or surfsports@surflifesaving.com.au
