Welcome messages

On behalf of the Board of Surf Life Saving NSW, I would like to welcome you to the 2024 NSW Surf Life Saving Championships, proudly presented by Your local club.

Coming back once again to this beautiful site on Sydney's Northern Beaches, spanning three clubs and two beaches from Freshwater SLSC, around the headland to Queenscliff SLSC and down to North Steyne SLSC, we are excited to be delivering what is the pinnacle of our Surf Sports calendar in such an iconic location.

The coming 12 days of competition will see over 21,000 competitors, spectators and volunteer officials descend on the region over the next three weeks.

It will be fantastic to see our best surf sports athletes, whether it's their first Championships or they're back for another year, fiercely contesting the full program of events, from swim, ski, board and ironperson racing, through to beach sprints, flags, relays and surf boats.

We thank the clubs, Northern Beaches Council, and our fantastic sponsors for making this possible and look forward to an exciting few weeks.

Of course, a special thanks also goes out to our volunteers. They are a crucial factor in the smooth running of our surf sports events, and we thank all those involved.

Finally, Surf Life Saving NSW acknowledges that the NSW Championships will this year be held on Guringai Country, home of the Garigal or Caregal people - the traditional, Indigenous custodians of the land. We pay our respects to elders' past, present and emerging.

Peter Agnew ESM
SLSNSW President

Welcome back to Queenscliff for another exciting NSW Surf Life Saving Championships!

On behalf of all our members I'd like to warmly welcome athletes, officials, and supporters back to Queenscliff for a third year and to share the celebrations in our Centenary year. We are looking forward to seeing the stretch of beach from Queenscliff to Manly coming alive with all that the State Championships have to offer.

We are sure you'll leave here with many great memories, meet up with some mates from other clubs and enjoy the Manly area. Please join us in our club and talk to our long serving members about our proud history over the past 100 years. There won't be any members with 100 years of memories but there are many with at least 50 years of stories who will make you laugh at the skullduggery that they got up to.

I would like to thank all our members who have volunteered to help host

this event. It's a huge task and every one of them is determined to make this championship the best ever. Hosting an event this size takes a major team effort, so to all the members of our amazing surf club, thank you for your assistance and enthusiasm. To see the result of all the hard work and planning makes me immensely proud to be the President of such a wonderful club.

I would like to take this opportunity to thank Surf Life Saving NSW, our co-hosts North Steyne SLSC and Freshwater SLSC, Northern Beaches Council, Your local club, our club sponsors and the rest of our event partners and suppliers.

Finally, I would like to wish everyone good luck and encourage you to make the most of your time here in our beautiful part of the world. I look forward to welcoming you all down here.

Garry Fox
Queenscliff SLSC President

Welcome everyone to the 2024 NSW Surf Life Saving Championships.

It pleases me greatly to be working again with SLSNSW and the other host clubs, Queenscliff and North Steyne to deliver the 2024 Championships.

The collaboration between the host clubs, the staff at Northern Beaches Council and the Surf Sports staff at Surf Life Saving NSW has again, this year in the lead up to the Championships been extremely rewarding.

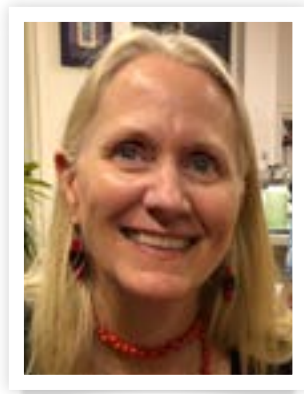

If you are visiting the Northern Beaches for the first time a warm welcome to the area. We all hope that you make the most of your stay. If you are visiting again, welcome back and we hope that you explore some of the other great beaches and surf breaks along the coast.

Thank you to the hard working team at Freshwater headed by Richard Hawtin our carnival organiser and Lindsay Davis our technical advisor for the massive amount of work that has been done to date in the lead up to all the Lifesaving, R&R and Patrol

and Champion Lifesaver and First Aid events that will be staged at Freshwater over the next few weeks.

Good luck to all the competitors at this year's State Championships, but most importantly, have fun while you are here.

Michael Bate
Freshwater SLSC President

Welcome back to Manly and North Steyne Beach for the 2024 NSW Surf Life Saving Championships! We are certainly looking forward to another great event and welcome to all who are visiting from both near and far.

The NSW Surf Life Saving Championships are unique as they celebrate the best of surf life saving with intense competition, strong team spirit, and a showcase of exceptional skills. As the oldest surf life saving club on the Sydney Northern Beaches, we have experienced many great events in our 117 years, and these Championships certainly rank amongst the best. The community is lucky to be a part of this great tradition and please take advantage of being here by getting to know all that Manly has to offer.

Events like this take a lot of hard work and effort. Thanks to the Northern Beaches Council for all their support, and to the team at Surf Life Saving NSW for ensuring such a high-quality and well-run competition. It is also a pleasure to work with fellow

hosts Queenscliff SLSC and Freshwater SLSC on these Championships.

Of course, the competition would not be possible without the terrific sponsors and I would like to thank them for supporting not only a great competition, but such an important community service.

Finally, I would like to thank our many North Steyne members who are putting in extra time to ensure that the 2024 Championships will be the best ones yet. I invite you to stop by our Club and say hello, relax with a refreshment in our Clubroom or enjoy one of our world-famous Bomboras from the BBQ.

Wishing all the teams much success and best of luck to all the competitors for a safe, enjoyable and fun 2024 NSW Surf Life Saving Championships!

North Steyne SLSC President

Newly minted Iron Woman

targeting improved champs

Fresh from her first NutriGrain Iron Series, Newport SLSC's Analise Kibble is hungry to build on her incredible summer at the 2024 NSW Surf Life Saving Championships, proudly presented by Your local club.

Since December, she's been brushing shoulders with the country's elite Iron competitors across six action-packed rounds at Maroubra, Manly and Kurrawa on the Gold Coast – including earning an amazing second-place finish in the Round 3 Super Sprint – so to say she's barely stopped this season would be an understatement.

Training has been “particularly gruelling” leading into this year's Championships –

largely due to the sheer number of events she has competed in, but two weeks off racing from her most recent event to her first start on the Open weekend will do much to help the body rest and recover.

She plans to push herself to the limit, but this year may prove a touch less tiresome on the body than the last – Analise competed in 19 races across the Open weekend in 2023, the most by any competitor.

“Being an U19 competitor last season gave me the opportunity to race in the Open events as well as my own age group which I think has really served me this season as a first-year Open competitor,” she said.

“This is something that all age group athletes should try their hand at. That taste of Open competition really taught me how to be competitive with the older girls. I love being able to do heaps of races across all the events, especially when it comes to teams.”

She admits that in the time since last year, she’s taken a lot of time to learn

and develop, and getting a sense of where mistakes can be minimised.

Her own toughest critic, she confesses to making similar errors twice and costing herself two wins. But with a fantastic “family” at Newport to lean on, she’s confident she’ll continue to grow and improve.

“It really is true that you spend more time with your training partners than you do your actual family,” she said.

“We go through every bump in the road together, and it’s an environment conducive to success.

“With athletes like Lizzie Welborn, Jackson Borg, Piper Harrison, Charlie Brooks and Conner Maggs, as well as coaches like Trent Herring, Luke Morrison and Ross Chaffer, and also people like Nick Carroll and James Brooks, you can’t help but feel inspired to work harder than you ever have before.”

While Analise will play her part, the teenager says there’s a lot to be excited about with the Newport team as they chase their tenth straight Open overall point score title.

“It will be testament to all the hard work and dedication from athletes, coaches and support staff alike who continue to help our dreams come true,” she said.

“As always, our ski paddling ranks will hopefully display their calibre in addition to the young proteges in the U17 and U15 categories who soar above expectations every week.

“Last year at State our Newport girls dominated their divisions and really brought it home for the club. We hope to do the same again.”

ACADEMY ATHLETES

Raring to Go

The state's best and brightest surf sport athletes are about to face their toughest test to date since the establishment of the Surf Life Saving NSW Surf Sport Academies late last year.

The NSW Surf Life Saving Championships, proudly presented by Your local club, is the biggest event of its kind in the state, with the vast majority of the nearly 60 athletes from the first Academies intake in November set down to compete on the big stage.

The Academies are supported by the NSW Regional Academies of Sport (RASi) network, providing professionalised

athlete services and coach development opportunities pertaining to strength and conditioning, sports nutrition, sports psychology, media skills, preparing for performance and injury prevention.

They align with SLSNSW's existing five regionally based Super Surf Teams and the Surfboat Interseries Competition, helping to provide a clear athlete and coach pathway from Club & Branch representation through to Interstate team selection.

"It's a really exciting concept because it's good to be surrounded by people with the same or similar goals to me," North Curl Curl SLSC's Zara Kasprovicz said.

"You know you're coming into a high performing and productive environment that will encourage me and other athletes to do better."

Zara is excited coming into the 2024 NSW Championships, this year moving into the U17 age group.

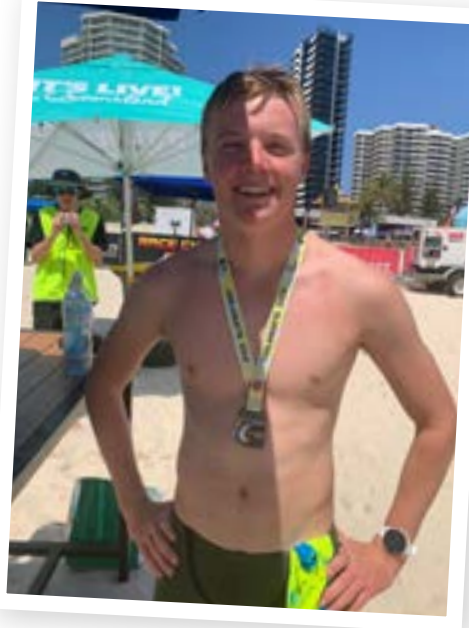

"What excites me about State Champs is how it allows you to practice racing and getting in a good race-day mindset whilst also having a good time with teammates and other competitors. I would definitely say it's one of the feature events on the calendar," she said.

"One of my goals is to make sure I learn from any mistakes made so I can make the most out of the weekend."

Further up the coastline, Alex Walker from Cooks Hill SLSC will be hoping to improve on a gold medal in the U17 Male Surf Race and silver in the U17 Male Iron. As one of the region's Academy athletes, he's looking forward to testing himself against the competition.

"It's a great chance to have a hit out with a highly elite field before Aussies. It is something me and my club look forward to every year," he said.

"I still definitely have some work to do on some legs more than others but it's a work in progress, especially with the goal to get to the NutriGrain Iron Series one day.

"On the Academies, it is a very exciting program. It is a great idea to support the younger athletes in NSW in the hopes to build the sport up across the state."

One of the key components of the Academies offering is strength and conditioning – something Cashar Darwin from Terrigal SLSC has utilised after injuring his shoulder several times last year.

"We've had a few sessions and they're really helpful, it's helped me to be able to compete really," he said.

Without the guidance and assistance offered through the Academy, Cashar is certain he wouldn't have been ready to hit the water at Queenscliff.

"I think doing it with other people involved in the same sport, it helps me push myself, and the trainers are really good," he said.

"Without this I wouldn't be where I am now, and I imagine I'll continue to improve as well."

Hopes High for Southern Warriors

It may not be the same strength in numbers that comprehensively wrapped up a second straight Country Championships on home sand just over a month ago, but Warilla-Barrack Point SLSC is hoping its burgeoning success is not confined to regional carnivals as the club prepares an assault on the NSW Surf Life Saving Championships, proudly presented by Your local club.

If anything, the South Coast club's victory over the Australia Day long weekend could well act as a springboard for the athletes who have grown immeasurably not just over the past two years, but over more than a decade.

Indeed, the tides had been turning at Warilla long before they dethroned Cudgen Headland SLSC as kings of the country last year, and now the coaching team is hopeful they can continue to build on their success – this time on a bigger stage.

"It's not something that happened overnight, it's been probably 10-12 years in the making," Assistant Coach, Damien Sheedy said.

"We've, Kirk and I, have been there every step of the way and built everything with the people who are here today from the ground up."

"The senior athletes who are here now, we had them as juniors all those years ago. It's been a big reason we've had

this success now, keeping the same people around as they move through the ranks," Head Coach, Kirk Allen added.

"Even 5-6 years ago, we had five in our senior ranks. Now you can count maybe 45 or more, we've got a great group and it's beginning to show."

And to think, if not for a mistaken arrival nearly three decades ago, none of this may have even been possible.

"It was maybe 25 years ago now, I came down to Nippers one day, I went to the wrong beach actually. I was meant to go somewhere else, but I showed up at Warilla and have barely missed a weekend since," Kirk said.

"I fell in love with the place. I'm really grateful as well for Damien's support – I drive the competitors for their heart and their fitness, and then Damien brings the water skills and that surf nous."

The travelling contingent from Warilla up to Queenscliff will have

more than 70 competitors across Age, Open and Masters, and there's great confidence they can mix it with the state's best.

"We have such a great community, everyone knows everyone around the club and that's what we've wanted to create – we're family," Damien said.

"We're driven by that, the athletes are driven by that. There's a lot of talent here," Kirk added.

Meet your OFFICIALS

Learn a little more about your officials this year as we sit down with Woolgoolga SLSC's Amy Hannaford. Look out for her over the course of the Championships around the flag pit and sprint track!

How long have you been involved in Surf Life Saving and what initially brought you to the movement?

I became involved in Surf Life Saving in 2016 when my two eldest children started out as Nippers at Swanbourne SLSC in Perth. 'Swanny' beach is host to some pretty hectic conditions, so there were many sessions spent doing activities in the sand (which is possibly why my daughter now has a preference for beach events). Growing up, I always wanted to be a Nipper and didn't have that opportunity, so I am grateful that my children do (and that they love being part of it).

Why is Surf Life Saving so important for young children in your mind?

Surf Life Saving is very different from other activities or sports on offer for kids. It's unique because it is the only sport/activity which stipulates a community service component as a condition of entry into competition. Nippers is not just a sport, it's a way of life and I think helps to foster a sense of being 'a helper' in children.

As an official what's been your greatest challenge so far?

My greatest challenge is probably connected to my desire to do things perfectly and learning to manage my self-criticism in a constructive way. Surf carnivals are dynamic and officials are often faced with very challenging situations. Sometimes we don't get

it right. Officiating requires someone to think critically and be willing to accept feedback. At each carnival I remind myself that it's an opportunity to improve on the previous carnival. I'm working on treating 'mistakes' as learning opportunities rather than failures. And notwithstanding all of this, I thoroughly enjoy being an official.

Do you think you play a role, as an official, in keeping kids interested and involved in Surf?

I hope that I do. Some athletes come into events feeling nervous or are upset by outcomes which don't go their way, and I am very mindful that while these experiences can (and should) help to build resilience, that having an official who is kind, helpful and respectful of their feelings can help them to bounce back from setbacks and look forward to their next opportunity to compete.

As a North Coast family, what about State Champs makes the event such a special occasion?

From my children's perspective, State Champs events provide fantastic opportunities to build friendships with athletes from all over the State. My eldest daughter in particular has made great connections with other girls from her age group. As an official, I've thoroughly enjoyed meeting like-minded people who also love

surf sports. It has helped to ignite my passion and strive to become involved in other aspects of Surf. Attending State Champs reminds me how important Surf Life Saving is in building community and connections.

Sweet or savoury?

70% sweet, 30% savoury

Dogs or cats?

Dogs!

Fiction or non-fiction?

Mostly fiction (with a touch of legal or medical texts and true crime)

Early riser or night owl?

Non-sleeper

Favourite meal?

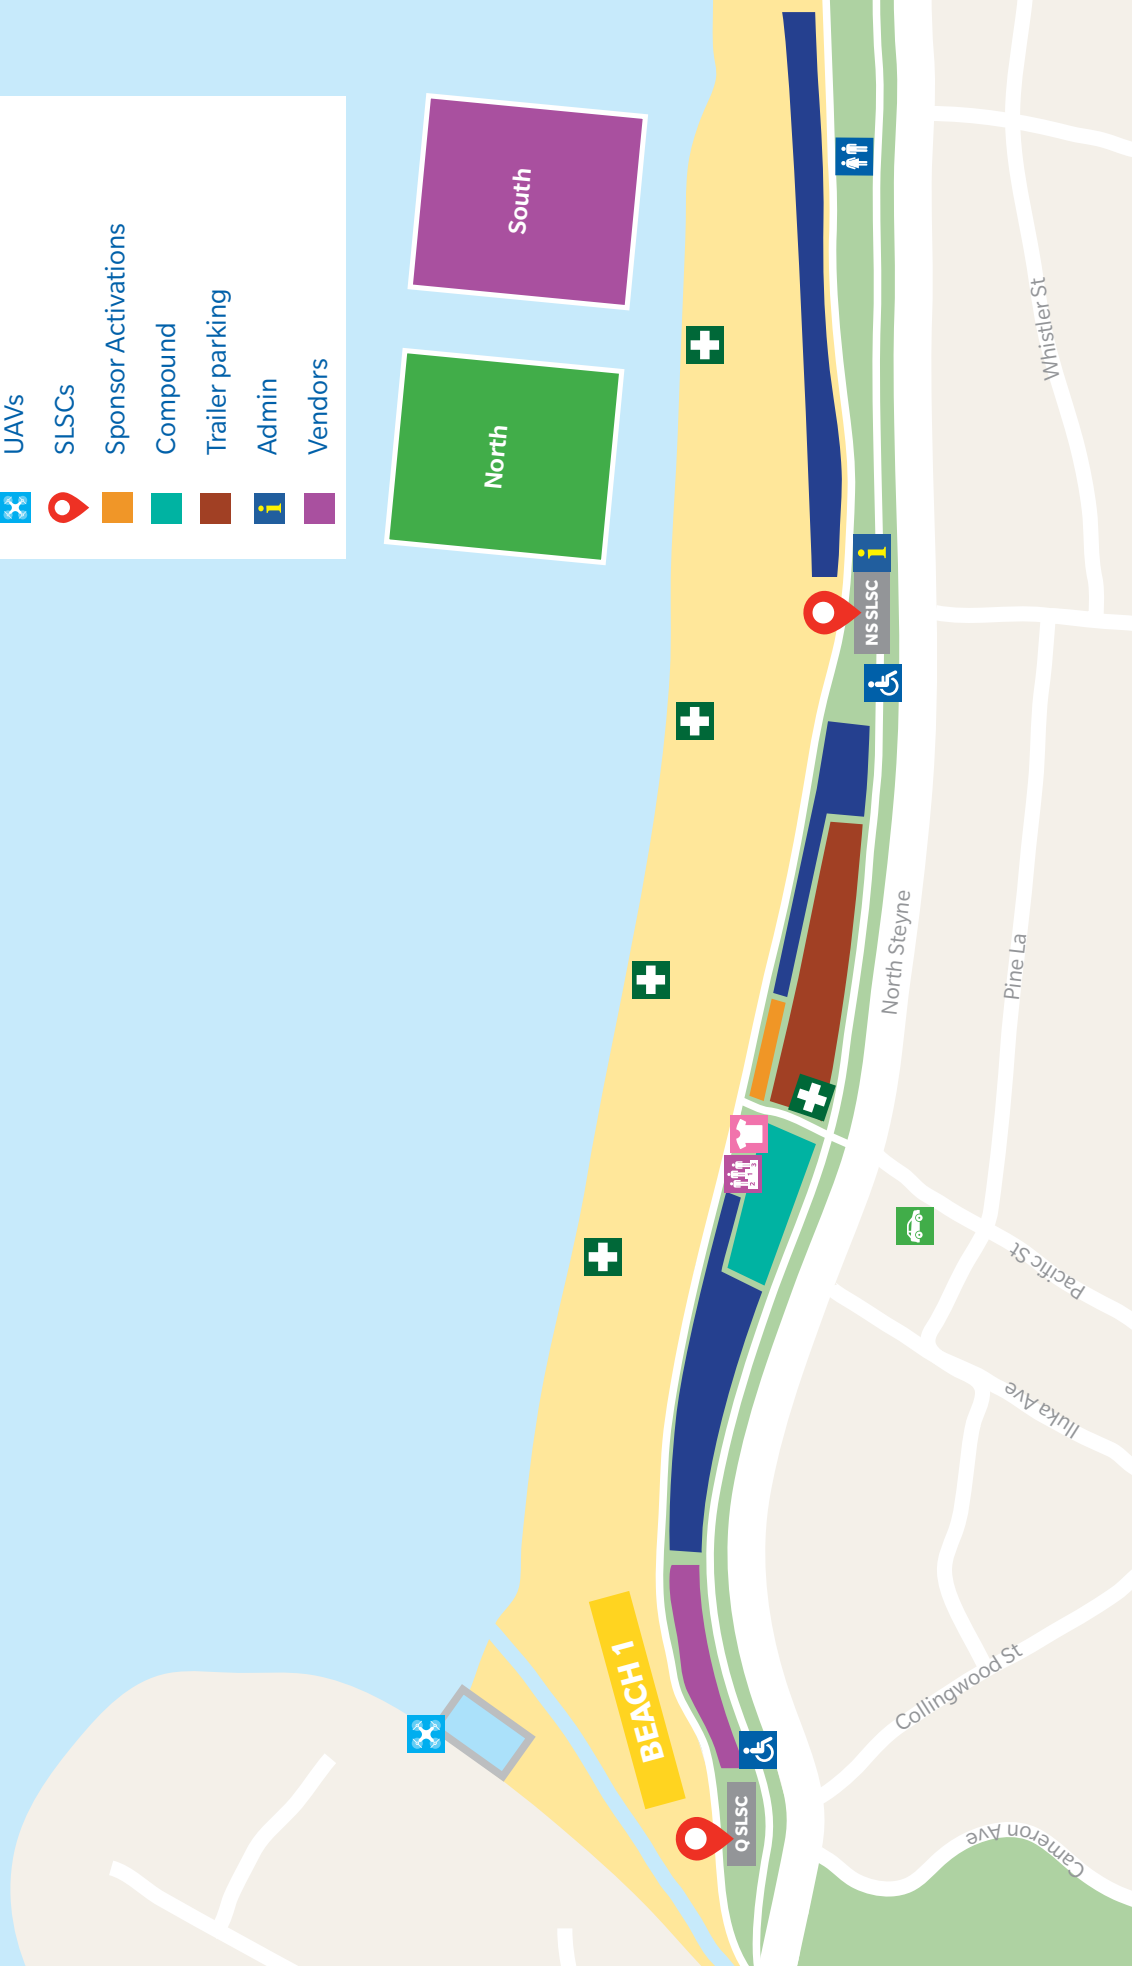

Anything with potatoes, and crème caramel (not on the same plate!)

Favourite holiday location?

I'm lucky because I live in a holiday destination, and it generally takes a surf sports carnival to make me leave my LGA. I do love Tasmania, however, as I think there's something for everyone there. I would love to visit the south island of New Zealand.
