<b>Subject:</b>	RWC Operators EOI's for the 2025 NSW State Surf Life Saving Championships

The 2025 NSW Surf Life Saving Championships, proudly presented by Your local club, will take place from 28 February – 16 March across Queenscliff, North Steyne and Freshwater beaches.

This year SLSNSW are trialing a revised model for powercraft. This will involve RWC's being used more extensively as the primary powercraft/water safety asset in each water area. All RWC shifts will be provided by SLSNSW's Australian Event Safety Services (AESS). This means there is no requirement on clubs to supply any volunteers for these roles.

The AESS invites all members who are appropriately qualified and have experience operating an RWC at Surf Sports Carnivals and are interested in undertaking paid shifts at the State Championships to complete the [Expression of Interest](#). AESS will then reach out to suitably qualified and experienced members to seek availability and onboard you as an AESS staff member.

Please complete this EOI at your earliest convenience.
