## 3 COMPETITION DETAILS

### 3.1 Beach Flags

All heats and finals will be run over standard flag pit dimensions as relates to the specific age group, as outlined in the 37<sup>th</sup> Edition of the Surf Sports Manual.

Flags will be run as per normal carnival format, in specific age and gender categories. If heats are required, all will run down until a final of either eight (8) or nine (9) is reached.

Any breaks throughout the event will result in a one (1) metre handicap (as opposed to elimination) for all age groups except for U17 and Opens (subject to Referee's discretion on day of event).

#### Beach Flags Point Score Allocation

Points will be awarded for placings as per the 10,000 point score table listed in section 3.4.

#### Event Order

The Beach Flags will be run in the following order:

- U17 Females and Males
- Youth Females and Males
- Open Females and Males

All age groups will be run down to a final. All the finals shall be run together at the end of the heats, in the following order:

- U17 Females and Males

- Youth Females and Males
- Open Females and Males

### 3.2 Beach Sprint Events

Age Categories	Round 1	Round 2	Semi Final	Final
Youth (U14/U15), U17 & Opens	90m	90m	90m	90m

There are two (2) round robin rounds of sprints available for all competitors to take part in. There is no minimum number of rounds that a competitor is required to take part in.

If the number of competitors exceeds the number of available race lanes, heats will be drawn for each of the rounds. A distributed “random” draw” for each round will ensure each competitor is able to compete with as many of the total competitors as possible in the heats.

For rounds one (1) and two (2), competitors take part in just one (1) heat per round, regardless of the number of heats in the round.

Each competitor accumulates points in Rounds 1 and 2 based on their placings from their heat, as per the following round robin point allocation table –

PLACE	POINTS
1 <sup>st</sup>	20
2 <sup>nd</sup>	17
3 <sup>rd</sup>	14
4 <sup>th</sup>	11
5 <sup>th</sup>	8
6 <sup>th</sup>	5
7 <sup>th</sup>	2
8 <sup>th</sup>	1
9 <sup>th</sup>	0

These accumulated points are used to determine the competitors that qualify for two (2) semifinals of eight (8). The semifinals will be used to determine a final of eight (8). The exceptions to this are as follows -

1. If there are insufficient competitors to run more than 2 heats in each round robin round, the accumulation of points from rounds one (1) and two (2) will be used to determine a straight final of eight (8) which will be run after rounds one (1) and two (2).
2. If there are insufficient competitors to run more than 1 heat in each round robin round, the accumulation of points of points from rounds one (1) and two (2) will be used to determine the final point overall event point score for competitors as per the 10,000 point score table listed in section 3.4.

Any breaks throughout the event will result in a 2-metre handicap (as opposed to elimination).

#### Sprint Point Score Allocation

Overall points for the sprints will be awarded for final placings as per the 10,000 point score table listed in section 3.4 below.

Note that competitors not making the final will be placed based on their accumulated points in Rounds 1, 2 and the semifinals, and will receive their respective placing points as per the 10,000 point score table listed in section 3.4 below.

## Event Order

The events in all rounds through to the finals will be run in the following order:

- U17 Females and Males
- U15 Females and Males
- Open Females and Males

Note: Order of events may change on the day of the event at the discretion of the Referee.

### 3.3 Beach Relays

Age Categories
Youth (U14/U15) Male & Female
U17 Male & Female
Opens Male & Female
Youth (U14/U15) Mixed
U17 Mixed
Opens Mixed
All-Age Relay

The beach relays will be run as per normal over 90m, with heats through to finals in each category. There are no points allocated for the Beach Sprint Relays.

Teams can be formed on the day but must be communicated to the Referee and/or Marshall prior to the start of the relays so as to be added to LiveHeats manually.

The teams in the All-Age Relay will comprise of six (6) competitors, with two (2) competitors from each age group (Youth | U17 | Opens). Each age group can only have a maximum of 1 Male competitor but may have 2 Female competitors. E.g. a team can comprise of the following –

- 1 Male & 1 Female Youth competitor
- 2 Female U17 competitors
- 1 Male & 1 Female Open competitor

Composite teams will be permitted in all Beach Sprint Relays (unless this results in an additional heat to be run, at the discretion of the Referee).

Any breaks throughout the event will result in a 2-metre handicap (as opposed to elimination).

## Event Order

The events within the rounds will be staggered between age groups and run in the following order:

- Youth Females and Males
- U17 Females and Males
- Open Females and Males
- Youth Mixed
- U17 Mixed
- Open Mixed
- All Age Relay

Note: Order of events may change on the day of the event at the discretion of the Referee.

### 3.4 Point Score

An overall point score will be accumulated over the first three (3) round robin rounds (events) of the series for the U13 and Masters Events and the Youth and Open Distance Runs, and over all four (4) rounds (events) for the Youth and Opens Sprints and Flags, with participants receiving points for each of the respective rounds. Prizes will be awarded to overall series point score winners.

Round 4 is a 10,000 point event. Points for final event places in the flags and sprints will be allocated as follows -
