Pool of Officials

As there is a quota on the number of officials required by clubs based on the number of entries into each of the championships, not all officials may be appointed to the area they are seeking and may be placed in another area.

Officials, who are appointed to areas which complete their program early on the day may be required to assist in other areas where needed as required by the **Referees**.

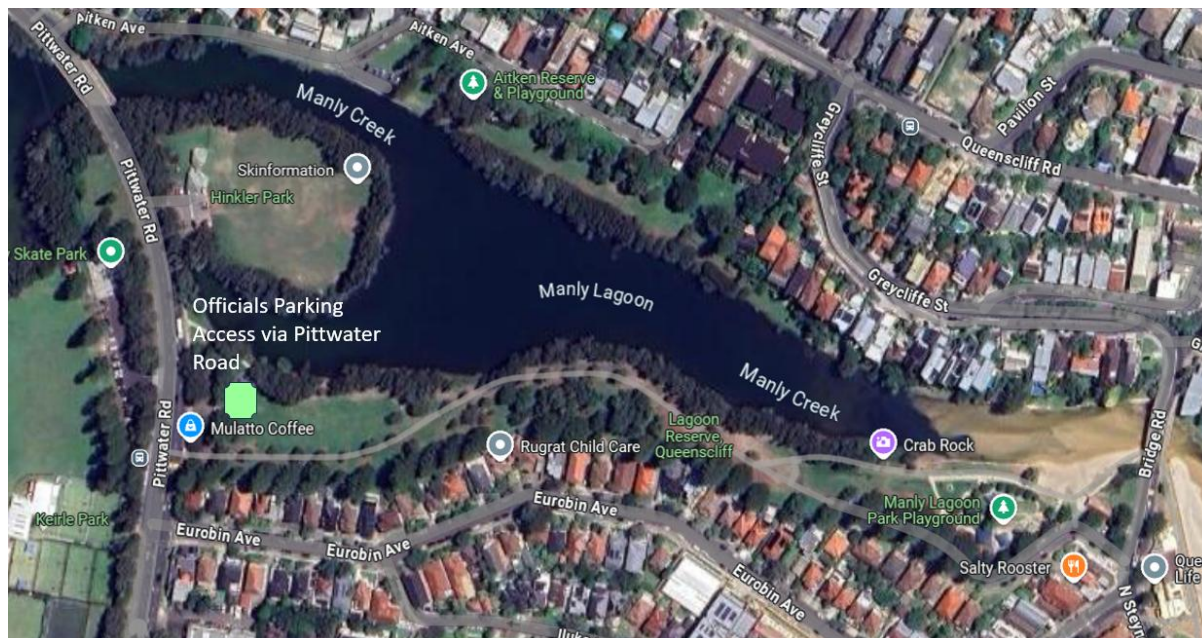

Welfare

It is important that as an Official you take care for your own welfare. **Ensure that you bring your own snacks and reusable water bottle** to maintain hydration and energy so that you are not solely reliant on supplies provided by the event.

Officials should also be aware of the need for adequate sun protection.

Parking Information

Parking will be available at Manly Lagoon Park with access via Pittwater Road. Officials must show their official badge to gain entry. Carpooling is encouraged.

Health

All Officials should realise the importance of fitness to undertake their respective activities and should seek expert advice on all aspects of their health before participating. Competitors and/or

Officials who suffer illness or injury should seek medical advice prior to participating or continuing with their activity.

Media/Photographers

Only those people who have media/photographers identification are accredited to be in the competition arena. If you encounter a non-accredited media representative in your area, please refer that person to Donna Wishart, SLSNSW Manager Media & Communications who will be located in the administration container – located south of Queenscliff Surf Club.

Commercial and Other Identification for Crafts

SLSNSW reserve the right to order the removal or covering of any sign writing, logos or corporate identification, on either clothing, competition apparel or equipment in the competition arena, (including the marshalling areas) which is deemed not in “good taste”, or which is in commercial conflict with a sponsor of the NSW Surf Life Saving Championships. Refusal to comply with any direction for removal or covering of such items would render the clothing, competition apparel or equipment, ineligible for further participation in the championships.

Once again, thank you for choosing to Officiate at the 2025 NSW Surf Life Saving Championships.

Surf Life Saving New South Wales have no doubt that your experience and knowledge will make this event yet another success.
