Subject:	2025 NSW Surf Life Saving Championships – Water Safety Roster V1

Water Safety personnel are required ensure the safety of competitors at throughout the 2025 NSW Age Surf Life Saving Championships proudly presented by Your local club. The information below is critical to ensuring your Club satisfies its obligations per the [2025 NSW Age Surf Life Saving Championships Entry Circular](#).

The Number of personnel required per shift is indicated on the Roster (X).

SLNSW have, where possible, tried to align to the quota articulated in the Entry Circular. Some clubs may be required to provide more personnel than stated in the Circular to ensure adequate water safety.

1. Sign On – Water safety personnel are to sign on outside Queenscliff SLSC on the ground level of the club, 20 minutes prior to the start of each shift.
2. One judge IRB and a roving RWC will be assigned to each water safety area.
3. At the end of each sign on period, the water safety briefing will be given, and the in-shore rescue teams selected.
4. All water safety personnel must have a minimum of a current, proficient Surf Rescue Certificate (COR Endorsed) and be a current financial member (2024/25).
5. Water safety personnel will be issued an orange rash vest.
6. Water safety personnel are requested to bring their own; orange high visibility caps, Rescue Tubes (with Club Name clearly identified), sunscreen, water bottles, snacks, wetsuits (if required), fins (if required) and a rescue or racing board (a pool of rescue boards will be made available; however, water safety personnel are welcome to BYO).
7. Any changes or swapping of shifts will be the responsibility of the clubs. If a club swaps a shift with another club and that club does not meet the requirements/show up, then it will be the originally rostered club that will be held to account. SLNSW must be notified of any changes or swaps organized between Clubs via statechampionships@surflifesaving.com.au
8. **Strictly no split shifts**

If clubs do not provide required Water Safety Personnel according to the published roster, SLNSW will stand down all athletes from that club from competition until such time as the required Water Safety Personnel are present.
