Welcome messages

On behalf of the Board of Surf Life Saving NSW, our staff and our incredible host clubs, I would like to welcome you to the 2025 NSW Surf Life Saving Championships, proudly presented by Your local club.

This stretch of beach that we return to for another year is such an iconic spot, spanning three clubs and two beaches from Freshwater SLSC, around the headland to Queenscliff SLSC and down to North Steyne SLSC, and it's a truly fitting location to host the largest surf sports event we have on our calendar.

The coming 12 days of competition will see some 20,000 competitors, spectators and volunteer officials descend on the region – an incredible advertisement for surf sports in NSW and more broadly as well.

I know I speak for everyone when I say there are few things better than watching our best surf sports athletes, whether it's their first Championships or they're back for another year, fiercely contesting the full program of events, from swim, ski,

board and ironperson racing, through to beach sprints, flags, relays and surf boats.

To the volunteers who make this all possible, we thank you for your continued support, dedication, and ceaseless drive to make these carnivals run smoothly.

We also thank the clubs, Northern Beaches Council, and our fantastic sponsors for making this possible and look forward to an exciting few weeks.

Finally, Surf Life Saving NSW acknowledges that the NSW Championships will be held on Guringai Country, home of the Garigal or Caregal people – the traditional, Indigenous custodians of the land. We pay our respects to elders' past and present.

Peter Agnew AM
SLSNSW President

Welcome to Sydney's Northern Beaches! We're thrilled to host once again the NSW Surf Life Saving Championships in 2025 on the pristine shores of Queenscliff and Freshwater beaches.

A sincere thank you to our incredible local surf clubs, members and volunteers for their unwavering dedication and bravery. Your tireless efforts in keeping our community and visitors safe on our beaches is vital and it does not go unnoticed.

Our surf clubs are such an important part of our community—not just keeping people safe but bringing people together. You help guide and support young people, teaching skills like teamwork and leadership while creating a real sense of belonging. As always, it will be incredible to watch your dedication on display as you compete in the Championships, showcasing your skills, teamwork and passion.

After competing, you'll be ready to recharge, celebrate or unwind, and the Northern Beaches has plenty to offer. With 21 stunning beaches

stretching from Manly to Palm Beach, there are endless possibilities to fill your days. Embark on picturesque bush tracks, discover award-winning scenic walking trails, conquer mountain bike tracks, or explore our aquatic reserves.

Grab a bite at one of our fantastic cafes or restaurants, or unwind with a drink from the buzzing brewery scene. If you're up for some culture, visit Manly Art Gallery & Museum or catch a show at Glen Street Theatre.

If you're looking for more ideas, contact our friendly Manly Visitor Information Centre team at Manly Wharf forecourt or visit hellomanly.com.au

To competitors, best of luck! Enjoy your time on the Northern Beaches.

Sue Heins
Mayor

Welcome to the 2025 NSW Surf Life Saving Championships, once again hosted on the stunning Northern Beaches. ClubsNSW, under the Your Local Club banner, is proud to continue our support for this incredible event.

Surf lifesavers play a crucial role in safeguarding all of us throughout the summer, and these Championships celebrate their dedication, skill and teamwork.

To all competitors, we wish you the very best as you showcase your talents and sportsmanship. May this year's event be a memorable celebration of all that makes Surf Life Saving extraordinary.

Rebecca Riant
CEO, ClubsNSW

Got any old uniforms taking up space at home?

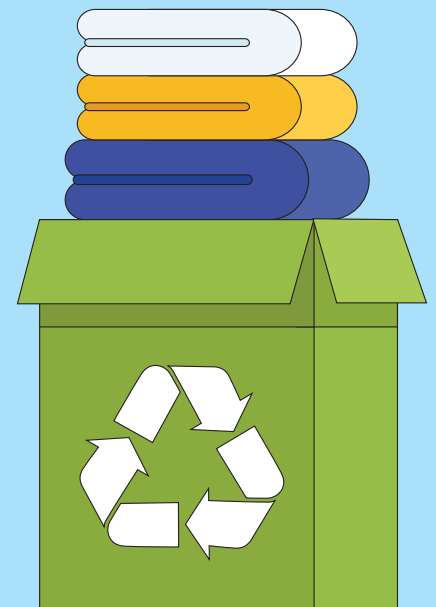

Bring them to State Champs and we'll recycle them responsibly.

Recycle bins will be located at the Admin Centre in Nth Steyne SLSC.

NEW SOUTH WALES

Batemans Crews Innes to Win It

at State Champs

Buoyed by some excellent showings at the ASRL Championships at Coffs Harbour last month, Batemans Bay will hit the water at the 2025 NSW Surf Life Saving Championships, proudly presented by Your local club, driven by the taste of success.

The Far South Coast club boasts crews with years of experience as well as some that are fresh faced and newly minted on the circuit, with both ends of the spectrum producing on the big stage when the best rowers from around Australia converged on Jetty Beach in mid-February.

The crew of U17s (a new age category trialled at this year's ASRL Open) – James Collins, Jacob Pike, Kady McDonald and Kayden Smith, swept by Neil Innes – overcame strong teams out of the Currumbin and Caloundra clubs to win their division and the Reserve Women crew of Tracy Innes, Donna Marie Clarke, Megan Douros and Alison Weyman bagged bronze in their Reserve Championships final.

It came just a day after that same crew – ladies who have raced together and been friends for many years – won the 180-year Female category of the Masters Championships.

Meanwhile the club's Open mens crew came back together for the first time in a few years, with Brendan Ellis, Tim Jarrold, Ben Jenner, Steven Kenner, and Neil Innes again sweeping, being knocked out in the semis.

"Sometimes when you've been rowing for a little while, you get a little bit used to competing and winning things, so when you bring a young crew back on, they bring that excitement and enthusiasm and it certainly stirs the whole thing up," Tracy said.

"It was the biggest contingent of rowers we've had for many years at the carnival so a really successful weekend for Batemans Bay."

Being a regional club, the success of the U17 crew is of particular excitement for Batemans Bay, with the recruitment and retention of youth members an ongoing challenge across the state.

"The kids here get to 16, 18 and they're off to find work or uni, but we're really lucky at the moment to have a good group of young ones in the club," Tracy said.

"We've got 12 at the moment which is exciting for us. They all interact really well and they've been great clubbies.

"They've already done lots and lots of hours on the beach and they're learning great life skills. It's really good for the club."

Making the big trip north to Sydney's Northern Beaches for State Championships, as with any carnival, is a prospect the crews look forward to – a great chance to interact with good friends and engage in the activity they all love.

And while Batemans Bay will target more podiums, just as they did at the ASRL Championships, building on the foundations of teamwork and club spirit are the biggest victories.

"For Neil [husband] and I, we've been doing it for a while now and it's like getting together with family again," Tracy said.

"You spend a lot of time on the beach talking and laughing with people that you know and are like minded.

"It's a lovely, healthy atmosphere and it's a reward for effort for the kids. You know, they learn when they come in that even if you train hard and do everything right it doesn't always go your way. I think it's a good life lesson for all of us.

"Everyone pitches in and there's lots of camaraderie."

MAGGS EYEING MORE SUCCESS

After Iron Series Triumph

He's the hottest property in surf sports after claiming the 2024/25 Iron Series – taking the crown from one of the greatest to ever do it in Ali Day – and just a month on from his breathtaking victory north of the border, Conner Maggs is ready to suit up again at the NSW Surf Life Saving Championships, proudly presented by Your local club.

The Newport SLSC athlete has been knocking on the door of superstardom for several seasons. Indeed, he's just two years removed from one of the most dominant displays ever seen at the Australian titles, where he became the first athlete ever to claim the Iron, Board, Ski and Swim in his age group – at the time, the U17s.

Now 19, he has well and truly kicked that door down, etching his name onto an elite list of past winners. One of just a dozen to ever earn the Male Iron Series title since its inception in the 80s, he became NSW's first winner since Kendrick Louis in 2020 and he did it with one of the most incredible endings the Series has ever seen.

For many, that incredible Sunday on the Gold Coast would give pause for thought. A chance to really take in everything you've achieved. But not Conner.

"I feel like I'm quite young and naïve still, I drove the new car [first place prize] back on the Tuesday and got straight back into routine, I do really well in that," he said.

"Even on the podium the first thing I said to my coach was 'how good would it be to win another?'"

"But it is, it's super incredible. I am young but I set really high expectations on myself.

"Racing against some legends of the sport and former winners like Ali (Day) and Bevi (Matt Bevilacqua), you know I have a huge respect for them and what they've achieved but I also have the belief inside me that I can do it too.

"As the weeks have passed I've probably appreciated more what I've achieved, and what it means to me going forward."

With his 2024 season derailed by illness, Maggs said it provided an opportunity to put things into perspective heading into this summer.

That meant a mentality shift – one that arguably belies his years. Winning wasn't necessarily the goal, but the by-product of the process.

"Last year I raced the series but was really unwell and I was talking to my coaches and family and they said this year just be grateful you have the opportunity to race fit and healthy," he said.

"Over time you realise winning isn't everything and be focussed on your purpose in each race you go in.

"I still want to win but it's about that pursuit of excellence now which can mean different things on different days. It could be making no mistakes or chasing opportunities in the surf.

"I like to stay grateful and hungry is the mix you're looking for. If you find that, racing becomes the easy part."

He now turns his attention to State Champs, where his home club of Newport is chasing a 11th straight Opens Overall Point Score title.

"State is one of Newport's favourite carnivals of the year," Maggs said.

"For me it's a big chance to get involved in more races in U19s and possibly Opens this year, but it's about points for the club and putting my name forward wherever I can.

"I try to uphold three key values in myself – unique, professional, and hardworking. State is another chance to showcase that."

Manly Young Gun Firing on all Cylinders

Ahead of Home Champs

Ahead of another State Championships where its athletes can rely on familiar conditions, friendly faces and their own bed to come home to each night, Manly LSC has high hopes of a strong campaign at the 2025 NSW Surf Life Saving Championships, proudly presented by Your local club.

With competition mere metres from its doorstep, hosted once again by neighbours, North Steyne, Queenscliff and Freshwater, the club hopes to leverage a strong, deep core of competitors across each of the age divisions and categories to produce some stellar results across the 10 days of competition.

One of those athletes pushing for the podium this year is Elisha Cuthbert – fresh off a long injury rehab that fed into a huge summer of elite performances, she's more invigorated than ever to make home ground advantage count.

"I've always loved getting to race on our home stretch," the 17-year-old said.

"It's the little things – in an unpredictable sport, knowing where the fixed rips are, what the wind direction favours, even just staying in bed that little bit longer.

"Since coming back from a knee reconstruction just after Aussies last year, I knew I was a big step back from my competitors, but it hasn't stopped me.

"Now with State coming around again I get to be surrounded by not only my family but friends outside of Surf Life Saving. I can't wait for everyone to get to see me race in my element."

A Manly Nipper who has raced with the club since U8s, Elisha has been moulded by experienced hands in Graham Bruce, Susie McCall and Rachel

Crerar since her early days, and has graduated to the coaching of Scott Thomson and Jono Stock.

She credits them all for their persistence and encouragement, and acknowledges the club's role, too, in her continued development.

"I grew up in this surf club," she said.

"I've had the joy of watching my older sister go through Nippers and find her passion in different areas of Surf Life Saving, while I've always been obsessed with the water.

"I thrive off the atmosphere around me, and at Manly there is always a positive atmosphere. Being surrounded by my teammates with similar goals has always pushed me to be a better athlete."

Elisha's huge summer included a weekend to remember when the World Ocean Series descended on Manly in January – she earned a spot in the Open Iron final after winning the U17

category and was able to race against some of the biggest names in the sport.

Now it's a matter of building on that to help achieve her goals at the State Championships.

"Racing in that Open Ironwoman final was definitely not on my 2025 bingo card," she said.

"Getting to race against girls I've been watching on the screen since Nippers was an experience I'll never forget.

"I've had an exceptional season so far and I want to keep it up, it's just about trusting myself and my skills and having fun while I do it. I compete better when I'm having fun, not thinking about the results.

"The U17 age group is one of the toughest, most competitive and determined, and the podium is always switching up. This State Champs I would love to secure myself a spot on the podium and to have consistent results throughout all my races."

Meet your OFFICIALS

Learn a little more about your officials this year as Cooks Hill SLSC's Mat Egan jumps in the hot seat. You'll catch him in the water area where he's a long-time State Champs Starter and will also be a Chief Judge for Age Champs.

How long have you been involved in Surf Life Saving and what initially brought you to the movement?

I first became involved in Surf Life Saving as a Nipper in 1975, which gave me a strong connection to the beach and the values of surf lifesaving. After some time away, I returned to the movement 30 years later when my daughter joined the U6s in 2011. Since then, I've been actively involved in the club, contributing as a volunteer lifesaver, age manager, trainer, coach, official and board member while supporting my two daughter's journeys through the Nippers program.

Why is Surf Life Saving so important for young children in your mind?

Surf Life Saving is incredibly important for young children as it teaches them vital water safety skills from an early age. It's not just about being strong swimmers – it's about building well-rounded, confident young people who grow up with a sense of responsibility and community. The friendships and sense of belonging they gain through Nippers and surf club activities stay with them for life. For me, SLS gives kids the best possible start – both in and out of the water.

You've been a Patrol Captain in club land as well as taking on officiating duties – do you think it's important to balance the lifesaving side with surf sports?

I believe it's incredibly important to balance the lifesaving side with surf

sports. Lifesaving is always first and foremost – it's the core of what we do and why we're there. However, surf sports plays a vital role in supporting lifesaving skills, fitness, and community engagement. Officiating, too, allows me to step back and enjoy watching kids compete, seeing their growth and development, all while knowing that the skills they are honing contribute to their abilities as future lifesavers.

As an official what's been your greatest challenge so far?

There have been many challenges along the way, but as a starter, ski starts have definitely been the biggest test by far. Two moments that stand out are the 2023 SLSNSW State Open Male & Female Final and the 2024 Aussies Female Area. Both events were held in challenging conditions, with tricky shore breaks and big surf, making it incredibly difficult to get those starts right.

Managing those starts under pressure, while ensuring fairness and safety for all competitors, was a huge responsibility. I didn't receive much feedback afterwards which I took as a positive sign!

Do you think you play a role, as an official, in keeping kids interested and involved in Surf?

I'd like to think I do. I always try to keep things light-hearted and create a positive environment on the beach. I believe showing respect to every

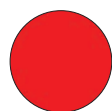

competitor, no matter their age or skill level, is so important. I'm in absolute awe of what these athletes put their bodies through in every single race. By treating them with that respect and encouraging them, I hope I'm helping to make their experience enjoyable.

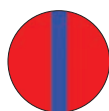

What's your goal for the Championships? As a volunteer, do you come into the event wanting to achieve anything in particular?

I don't go into a championship with a set goal or the hope of achieving anything specific. For me, it's all about giving the best I can give, doing the best I can do, and most importantly, having a bucket load of fun while doing it. It's the friendships I've formed along the way and the athletes that inspire me that keep me coming back year after year. That sense of community and shared passion is what makes it so rewarding.
