6. VOLUNTEER REQUIREMENTS

6.1 Officials

A quota system for clubs to provide Accredited Officials based upon the number of competitors entered (not the number actually competing) is in place for the 2026 NSW Masters Championships. Online late entries will be added to the total number of competitors entered to ensure that the club's obligation is satisfied.

The Officials quota remains for the 2026 Championships and supersedes any prior versions of the Officials quota from previous years. Officials, as a minimum requirement, must have a current Core Official accreditation.

Masters Championships Quota

Competitors Entered	Officials Required
1 to 4	-
5 to 10	1 Official
11 to 15	2 Officials
16 to 40	3 Officials
41 to 50	4 Officials
51+	5 Officials

Your Local Club

Officials who wish to share a role with someone else MUST communicate this to SLSNSW. Two (2) officials sharing one (1) role fulfils one (1) official in the quota (the quota is based on attendance per day of the Championship).

Please be aware the quota system is based on the number of competitors entered into the event, not the number of competitors starting. Clubs are reminded before entering their competitors into the entry system that they MUST meet the officials' quota.

If sufficient officials are not provided by clubs according to the provided quotas, SLSNSW will stand down all athletes from that club from competition until such time as the required officials are present.

Officials undertaking duties to meet club's quotas, who have not already been appointed to a position, will be requested to report to the Deputy Referee at Swansea Belmont SLSC by 7:00am each morning of competition. Procedures for this to be confirmed in the Final Event Information to be released prior to the start of competition.

It is essential that clubs work with their officials to ensure that they (the Officials) understand the effect on the Championships if they do not communicate with SLSNSW regarding non-attendance or changes to the Official's Appointments. Clubs should check that officials appointed are attending on the days that they are appointed for, as this could have a significant impact on whether athletes can compete or not.

6.2 Powercraft

To ensure the safety of all competitors competing in the 2026 NSW Surf Life Saving Masters Championships, a Powercraft roster will be implemented. Clubs will be identified based on the total number of entries for the 2026 Championships.

Powercraft Drivers/Operators and crewpersons must fulfil the following requirements.

- **IRB Driver:** Be a current financial SLS member and be a proficient Silver Medallion IRB Driver.
- **IRB Crewperson:** Be a current financial SLS member, be a proficient IRB Crew Certificate.
- **RWC Operator:** Be a current financial SLS member and hold a proficient RWC Operator Certificate.
- **Both IRB and RWC:** Be experienced in ALL levels of surf conditions and competent to deal in all surf conditions.

As the Powercraft requirements will be based on figures calculated after entries close for the 2026 event, the **Powercraft Roster will not be prepared until after normal entries close on Sunday 1st February 2026.**

All IRB Drivers and Crew personnel must also bring with them their own personal compliant PFD, helmet, and appropriate clothing.

Clubs that fail to meet their rostered requirements: SLSNSW will stand down all athletes from that club from competition until such time as the required powercraft personnel are present AND undertaking their required shift.

** If there are any clubs that already intend to engage SLSNSW Services fulfill their IRB quota shifts, please complete this [form](#) by Sunday 18 January 2026 **

Some Clubs may also be required to bring IRB equipment to the Championships. All IRBs supplied must be registered with SLSNSW, have passed the 2025/26 Gear and Equipment Inspection process, and be entered on SurfGuard.

6.3 RWC

All RWC shifts will be provided by SLSNSW Services.

We invite members who are qualified and have experience operating an RWC at Surf Sports Carnivals and are interested in undertaking paid shifts at the State Championships to complete the [Expression of Interest](#).

SLSNSW Services will then reach out to suitably qualified and experienced members to seek availability and onboard you as a staff member if required.

6.4 First Aid

All first aid will be provided by SLSNSW Services.

7. ELIGIBILITY TO COMPETE

For clubs to be eligible for Championship Competition, clubs must have their Life Saving Agreement (LSA) in place for competitors to represent that club.

Entrants must meet SLSNSW award, patrol, and proficiency requirements as per the 2025/26 proficiency competition requirements and any other subsequent bulletins issued.

Reference is made to the following documents which apply to this event:

- SLSA Policy 1.02 – Use of SLSA Equipment
- [Memo - SLSNSW 5.04 Patrol Hour Exemption Process](#)

Late Proficiency and Exemption Requests are required to be endorsed by both Club and Branch (on letter head) before being received by SLSNSW. SLSNSW fully supports the new SLSA Anti-Doping and Match Fixing policies (SLSA Members Area > Library > Governance > SLSA > Policy 5.1 1 & 5.02). Following the completion of each course, a completion certificate/email must be forwarded to Surf Sports surfsports@surflifesaving.com.au. SLSNSW have organised with SLSA to have these courses uploaded on to SurfGuard as an award. Once completed, the courses do not have to be completed again, unless there is an update in information from the organisations. If anyone has previously completed either course, proof must be sent through to Surf Sports in order to be recognised.

For further information regarding the courses please contact Surf Sports, on (02) 9471 8000 or surfsports@surflifesaving.com.au
