3.2 BEACH SPRINT EVENTS

Age Categories	Round 1	Round 2	Round 3	FINAL
U13	50m	50m	60m	70m
Masters (10-year age groups)	50m	50m	60m	70m

There are three (3) rounds of sprints available for all competitors to take part in. There is no minimum number of rounds that a competitor is required to take part in.

If the number of competitors exceeds the number of available race lanes, heats will be drawn for each of the rounds. A distributed “random” draw” for each round will ensure each competitor is able to compete with as many of the total competitors as possible in the heats.

For rounds one (1) to three (3), competitors take part in just one (1) heat per round, regardless of the number of heats.

Each competitor accumulates points in Rounds 1, 2 and 3 based on the following round point score allocation table –

PLACE	POINTS
1 st	20
2 nd	17
3 rd	14
4 th	11
5 th	8
6 th	5
7 th	2
8 th	1

These accumulated points are used to identify the competitors that qualify for a final of eight (8).

Any breaks throughout the event will result in a 2-metre handicap (as opposed to elimination).

Event Order

The events within the rounds will be staggered between age groups and run in the following order:

- U17 Females and Males
- Youth Females and Males
- Open Females and Males
- U13 Females and Males
- Masters Females and Males

Note: Order of events may change on the day of the event at the discretion of the Referee.

Sprint Point Score Allocation

Final points will be awarded for all placings as per the 5,000 Series Point Score table (refer to table on page 5)

Competitors not making the final will be placed based on their accumulated points in Rounds 1, 2 and 3, and will receive the respective placing points as per the 5,000 Point Score table.

If there were insufficient competitors to require a final, accumulated points from Rounds 1, 2 and 3 will determine the event placings for all competitors and resulting points as per the 5,000 Point Score table.

3.3 BEACH FLAGS

All heats and finals will be run over standard flag pit dimensions as relates to the specific age group, as outlined in the Surf Sports Manual.

Flags will be run as per normal carnival format, in specific age and gender categories. If heats are required, all run down until a final of either eight (8) or nine (9) is reached.
