Summary

We are again inviting nominations from suitably qualified members for the Surf Life Saving Australia (SLSA) honorary position of Deputy Chair of Lifesaving for a 2-year term. We are seeking enthusiastic candidates from a diverse range of backgrounds, locations, and experiences for this position. An understanding of organisational process and the SLSA federated model would be welcomed; please be sure to include any examples relevant to your application.

Appointment for this position will be recommended by the Chair of Lifesaving and confirmed by the SLSA Board. Applicants will be required to be available for an interview; expected to take place during **September 2026**.

Overview of Responsibilities and Obligations

Members interested in nominating for this position shall carefully read the SLSA Constitution and SLSA Regulations, which outline the makeup of the Committee (2.6 to 2.6.8), and the position description to confirm eligibility, willingness, capability and capacity to fulfil the important responsibilities associated with this role. It should be noted that this position does not sit as a member on the SLSA Board.

Please refer to the Lifesaving Committee Terms of Reference for a full list of responsibilities, skills and qualifications required.

All documents are available in the document library of the SLS Hub.
