1 ABOUT

The **Beach Stormers** is a Surf Sports Beach series run nationally, with disciplines including Distance Runs, Beach Sprints and Beach Flags. Whilst the disciplines are similar to those held at SLSA Surf Sports carnivals, there are some key differences with how these are run in the series –

- Beach Sprints and Distance Runs are held in a **Round Robin** format, with variable course lengths used. The various course lengths and order of events is described in this document. Beach Flags will be run as per normal rules (apart from false starts as detailed below)
- There are no disqualifications for False Starts in any of the events –
 - For Beach Sprints, any false start results in the competitor taking a 2 Metre penalty on the start line
 - For Beach Flags, any false start results in the competitor taking a 1 Metre penalty on the start line
 - For Distance Runs, any false start results in the competitor taking a 15 Second time penalty at the start line

Unlike standard SLSA events, series points are awarded to competitors all the way down to 50th place. Hence taking all places in events is critical to ensure competitors points accumulated across all events in the series that they compete in.
