Safety Officer Accreditation – Face to Face Training Session

SLSNSW will be conducting a Face to Face training session for the new Safety Officer Accreditation Course.

Where: SLSNSW Office – 3 Narabang Way Belrose
Date: Saturday 7th November
Start Time: 8.00am

This Face-to-Face session is the 3rd step towards Safety Officer accreditation. To attend, you must first complete Steps 1 and 2.

Step 1

Members need to complete Safety Officers Expression of Interest (EOI) which can be found on their SLSA Members Hub.

Log into the hub, select eLearning > Training Library > SLS Safety & Wellbeing – Safety Officer EOI. When applying, make sure you click the NSW Register link.

EOI's will be sent to Branches for endorsement.

Step 2

Once the EOI has been endorsed, members will be allocated and must complete the eLearning course. Members can access this course through their members hub as they did in Step 1.

Only fully qualified Safety Officers will be able to fill the role in the 2027/2028 season, so it's important you get accredited this season.

If you want to attend the Face to Face course on 7th November, email surfsports@surflifesaving.com.au as soon as possible.

To give staff time to confirm eligibility, your eLearning must be completed by Monday 2nd November.

Please contact SLSNSW or your Branch office if you have any questions.
