

STRONGER TOGETHER

14 December 2026 | Bondi Beach NSW | 5:30am

Surf Life Saving NSW clubs and members are warmly invited to join Bondi and North Bondi on the beach or on the water as we stand alongside the Jewish community and the people of Bondi.

On this anniversary, we would like to bring people together again in a simple and powerful demonstration of solidarity, remembrance, resilience and community.

Event Details

The commemoration will include a circle of surf craft on the water, with a one-minute 'Oars Up' tribute at 6.30am, while Surf Lifesavers will gather on the beach.
Clubs are encouraged to participate either:

- On the water with an IRB, surf boat or jet ski; or
- On the beach as part of the surf lifesaving gathering.

5.30am: Lowering of the flags at Bondi and North Bondi Surf Life Saving Clubs
6.30am: Stronger Together gathering at Bondi Beach
Dress: Patrol uniform for Surf Club members

Important Information

This is a craft-only water event and is not a paddle out. The only craft taking part on the water will be IRBs, surf boats and jet skis. Please do not bring rescue boards or swim out to the circle. All craft must arrive by water.
